ZOO EXCURSION

On Tuesday the 16th May, our students from Area 19, 20 and 22 went to the zoo. This excursion was an extension of their science curriculum, in particular their learning experience of, "Who am I?"

From the Principal

Dear Parents and Caregivers

NAPLAN

Thanks to Mrs White for coordinating the testing last week and well done to students in Years 3 and 5 for working hard completing the NAPLAN testing.

PLAYGROUND EQUIPMENT

Please note that no child should use any play equipment before school as there is limited teacher supervision. After school use of the junior and Pre-primary equipment MUST be supervised by child's own parent to ensure their safety.

Students who arrive before the class is open should wait in the canteen area unless supervised by their own parent.

WELCOME TO OUR NEW STUDENTS

HAVE SUM FUN ONLINE

HSFO commences this week and runs for three weeks. Selected students from Year 5 and 6 will work in a team to complete a set of mathematical problems solving questions online. The teams complete with other schools across Australia. Thank you to Mrs Reid for organising this activity.

ASSEMBLY THIS WEEK

This week's assembly will be hosted by Mrs Davin and Area 2. Thanks to Mr Chapman and Area 9 for their fantastic assembly last week reciting 'The Ning Nang Nong' and 'I Can't Come to School'.

Kind regards
Carolyn Lucarelli

NATIONAL WALK SAFELY TO SCHOOL DAY

This Friday 19 May is 'Walk Safely to School Day'. All primary school children will be encouraged to walk and commute safely to school. It is a Community Event seeking to promote

Road Safety, Health, Public Transport and the Environment.

The objectives of the WSTSD are:

- To encourage caregivers to walk to school with primary school age children to reinforce safe pedestrian behaviour.
- To promote the health benefits of walking and help create regular walking habits at an early age
- To ensure that children develop the vital road-crossing skills they will need as they become mature pedestrians.
- To reduce the car dependency habits that are being created at an early age.
- To promote the use of Public Transport.
- To reduce the level on air pollution created by motor vehicles.
- To reduce the level of traffic congestion.

Many thanks to Mrs Jensen, Miss Grieve and Mrs Nairn for organising this event. See the WSTSD notice on Skoolbag so that you can join in on the 'Human Bus'.

KITCHEN GARDEN NEWS

Our beautiful chickens are earning their keep, they are now producing eggs. Mrs Nairn looks forward to using these eggs in her Kitchen Garden classes.

DO YOU HAVE ANY UNWANTED LEGO/DUPLO AT HOME?

Mrs Shepherd is asking if any families have Lego or Duplo they could donate to our school. Mrs Shepherd is our STEM co-ordinator and has some programs she would like to implement using Lego or Duplo blocks. Thank you.

EAR SCREENING FOR INDIGENOUS STUDENTS

Ear Screening for Indigenous students will be held on Monday **29th May 2017**.

Students who were not tested in 2016 will be tested and are required to bring back their permission slip ASAP.

If you require further information about the Ear Screening please contact the AIEO's Iysha Williams and Kathleen Troy on 9459 1166.

P&C News

MOTHER'S DAY

A big thank you to everyone who come to the P&C's Annual Mother's Day Stall. Hope all your mums loved their day. Thank you to Kym, Cinta, Sharon, Katrina and Naomi for

making beautiful gifts this year and helping with the stalls.

NEW COMMITTEE MEMBERS

We are always looking for more members to help our committee. If you are interested in joining please come to our next meeting.

CANTEEN

Our Canteen is always happy to have volunteers. There is a white board located between the canteen and uniform shop, or drop in to our canteen for a chat.

BREAKFAST CLUB

The Breakfast Club is held on Tuesdays and Thursdays at 7.45am and supplies students with breakfast. If you are interested in volunteering, please see the board between the Canteen and Uniform Shop. Help support your school and our students.

The P&C would like to thank everyone for their continued support.

Last term over 500 breakfasts were served to our students.

Many thanks to Wanda, Deb and Mark Sharland, who all volunteer their time before school to provide this valuable service to our children, and to a number of students who are willing help set up each day. You are stars.

Eating breakfast is extremely important as it allows students to gain the nutrition and energy required to learn at school, enjoy the daily activities and helps prevent fatigue and hunger during the day.
