## NATIONAL TREE DAY

In Week 2, Mrs Nairn organised many classes to participate in National Tree Day by planting a variety of trees, shrubs and small plants throughout the school grounds. These will not only make our school look more beautiful as they grow and flower, they will also provide shelter and food for many small animals that live at our school. Our plants were provided by SERCUL and Lullfitz's WA Native Plant Nursery. Also planted near the basketball courts were two agonis flexuosa, the peppermint willow tree, which is our school logo. We hope that many students will enjoy sitting in the shade of this beautiful tree in the years to come.

## BREAKING NEWS!

Professor Maths will be visiting East Maddington Primary School on Monday 14th August! He is bringing all his 'fun -activities' for you to share. These activities are challenging and exciting with different levels for Junior students and Senior students.
