BOOK WEEK AT EMPS

A big thank you to Mrs Simon for organising another fantastic Book Week and for all the staff who helped out to make it happen. We started off with our "Reading around the School" and ended the week with our Annual Book Week Assembly and Parade. Mrs Witham organised our wonderful Scholastic Book Fair that week too and we are happy to announce we sold \$1700 worth of books. Thank you to our staff for assisting Mrs Witham with this and thank you to all the families that supported the bookfair by purchasing books.

ASTHMA AWARENESS WEEK 1st – 7th September 2017

What is asthma?

Asthma is a long-term lung condition. People with asthma have sensitive airways in their lungs, which react to triggers, causing a 'flare-up'. In a flare-up, the muscles around the airway squeeze tight, the airways swell and become narrow and there is more mucus. These things make it harder to breathe.

There is a small display in our library that explains asthma in more detail.

SPORT SPOT

Lourdez from Area 11 and Tamiano from Area 5 play lots of sports from Netball to Rugby and Athletics. They are pictured here with all

their sporting gear and trophies.

START SMART
PRESENTS
THE TELEPORTER
ADVENTURES.

JUNIOR STUDENTS START SMART GIFTS

Junior students who attended the Start Smart session will receive a 'teleporter' story book kit to take home. Parents please follow the instructions to download the app and use the teleporter for a 3D Story telling experience. Enjoy!
