From the Principal

Dear Parents and Caregivers

WELCOME BACK

I hope all families enjoyed a relaxing break from routines and are ready for another busy term! All classes have commenced the term on a positive note and last Monday staff participated in Professional Learning about best teaching practice.

ART GALLERY AND CHRISTMAS CONCERT PICNIC

Once again this year we will be combining our annual Art Gallery with an afternoon/evening picnic and Christmas Concert. Children will be preparing a Christmas carol to share and families are invited bring a picnic tea or buy something to eat from the P&C on the last Wednesday of term, 12 December.

END OF TERM REWARD

At the end of term the school will be providing a 'Fun Day Reward'. To participate, students must have displayed good behaviour for the whole term. Any suspension or more than two detentions from this week onwards will mean that they miss out on this opportunity. Our aim is to have 100% involvement by making each child accountable for their behaviour.

PARKING

Please remember to look at the signs on Pitchford Avenue and not park on the road opposite the school. Also do not park in the marked bays for the Canteen Manager and the Child and Parent Centre staff.

KEYBOARD

A big thank you to Harley Webster's family for the donation of a wonderful electronic keyboard which is housed in the Music Room.

INTERSCHOOL CARNIVAL

Good luck to our interschool champions who will compete next week at the Interschool Carnival. Families are invited to go along to cheer for our school.

CONGRATULATIONS

We are very pleased to announce that Mrs Griffiths and Miss Sayers have been re-appointed for 2019 at our school. Congratulations!

NEW CLASSROOM FOR 2019

We are also pleased to announce that another transportable classroom will be installed behind the Junior Block in readiness for 2019. This room will accommodate a Junior Primary class.

CLASS PLACEMENTS

Each year the school undertakes a process for the establishment of classes. Individual class placements will be decided on considerations that maximise a child's educational development and

learning potential.

General Guidelines for Class Placement

1. Maximum class sizes (sometimes this means creating split classes)
2. Gender balance
3. Ability balance
4. Siblings / twins / family situations

Please forward any written requests to the Principal regarding student placement for the following school year. Parents/carers must cite sound educational reasons and not social/group preferences/teacher preference. Responsibility for ensuring that the appropriate process is followed, determining the overall combination of classes and the placement of individual students, rests with the Principal.

HERE IN 2019?

Please let the school know if your child/ren are planning to move schools next year. We need accurate numbers for organising our classes.

RETIREMENT

Yesterday we farewelled Mrs Julia Till, Head Cleaner at EMPS for the last 16 years. Mrs Till gave many years of dedicated service to our school and she will be missed as she moves into the next stage of her life. We wish her all the best in retirement!

NEW STUDENTS

We welcome Anmar Area 2; Robert Area 7; William Area 22 and Brayden Area 10.

NATIONAL OPINION SURVEY 2018

Please follow this link to complete the final survey for this year. This survey is mandated for all schools in 2018.
