Dear Parents and Caregivers

TEACH YOUR CHILD TO TYPE

Next year all NAPLAN testing except the Year 3 Writing test will be done online. Your child will be able to complete these tests more easily if they can 'touch type' or type quickly. There are many free websites available to teach this skill. Our school will also support the teaching of typing skills; however, practice at home will make this much easier for your child. They will need access to a keyboard. Below are some great websites to try;

www.typingclub.com
www.typingtrainer.com
www.freetypinggame.net
www.typinggames.zone

END OF TERM GOOD BEHAVIOUR REWARD

On 12 December the school will be providing a 'Fun Day Reward'. To participate, students must have displayed good behaviour for the whole term. Any suspension or more than two detentions will

mean that students miss out on this opportunity. Our aim is to have 100% involvement by making each child accountable for their behaviour.
