## WELCOME BACK

I hope that all families have had a relaxing break from school routines and are ready for a rewarding and productive year. We embraced and conquered the challenges that 2020, and those of the last two weeks brought us. We are in a strong position to move forward and I am sure that 2021 will be a fabulous year with many opportunities for your child to learn and grow.

## WHAT A START!

Thank you for your support in what has been a very unusual start to the school year! Communication is vital, so make sure that you check Connect regularly for updates. Thanks to our P&C for re-posting messages on their Facebook page.

## A GREAT SCHOOL

At East Maddington we have excellent whole school programs in place, planning and direction for the next three years is well organised and our dedicated, competent staff all work together to provide an outstanding education for your children.

## ENROLMENTS

Currently we have 427 children at our school and another 78 students at the Language Development Centre. We also welcomed 31 NEW students to our school.

## NEW STAFF

We are very happy to welcome our new teachers;

Mr Brown: Area 7, Mrs Walters: Area 4 and Miss Andersen: Area 22 to East Maddington Primary School. Miss Williams has also returned from Maternity Leave. We wish these and our current staff a successful and rewarding time at our school.

## INTENTION TO RETIRE

After much thought, I have decided that after nearly 43 years in Education, it is time for me to retire. I feel truly privileged, proud and fortunate to have been the Principal of East Maddington Primary for nearly ten years. You all know how much I love working here! My last working day will be at the end of this term, Thursday April 1 and I will take Long Service Leave for Term 2. East Maddington will remain in my heart as the incredible community that it is; diverse, welcoming, and one which works together, inspiring, respecting and caring for each other.

Kind regards  
Carolyn Lucarelli
