ANZAC SERVICE

Our ANZAC Service took place last Friday 23rd April. Below are some photos of our Service.

ANZAC ART WORK

From the Principal

Dear Parents and Caregivers

WELCOME BACK

As this is the first newsletter of the term I would like to welcome families back to EMPS and I hope you all enjoyed a restful holiday!

The ANZAC long weekend was probably a little unusual this time with restrictions in place, but I'm sure, with the beautiful weather we had, many families would have spent time in their gardens or just relaxing.

Following advice from our Director General, please be assured that we are following all the guidelines set out by the department to keep everyone safe.

Parents who arrive on site this week must wear a mask and maintain the 1.5m social distancing.

STAFF CHANGES

Staff changes during Term 2: Mrs Patricia White, Principal; Mrs Maxine Griffiths, Deputy Principal; Mr Carl Edmunds, teacher A11; Mrs Marcia Dowling, Wednesday teacher A8.

Mrs Dowling Area 8

Mr Edmunds Area 11

ANZAC SERVICE

Thank you to Mrs Griffiths for organising a very emotional service. Thank you to the staff and students for their outstanding display boards and speeches. Thank you to all visitors who attended the EMPS ANZAC service.

SAFETY AFTER SCHOOL

For the safety of our students please park on the school side of Pitchford Avenue. Rangers have been out and about checking parking. Parents are asked not to walk through the staff car park, as staff reversing cannot always see smaller children. Please walk on the grassed areas.

HEALTH AT EMPS

Thank you for your support during the last few weeks as routines return to 'normal'. With the onset of the usual cold and flu season, students should be kept at home if unwell; if they have a cough, a temperature or are suffering from gastroenteritis. This will help us all to stay well!

Pharmacy 777 Maddington

CLEANING

Extra cleaners have been employed to clean high touch surfaces throughout the day and playgrounds are cleaned each morning with a 24-hour sanitizer.

Kind regards
Patricia White
Principal

OFFICE ARTWORK AREA 4

STUDENT BUILDS A DALEK

Ken is very talented and just loves to construct things from Harry Potter to dinosaurs and robots. Recently, Mr Butcher challenged him to build a Dalek. Firstly, he created one about 12cm tall but then he constructed this one which he can fit under. Awesome effort Ken!

EASTER BONNET PARADE

Last term, our annual Easter Bonnet Parade was a huge success. Thank you to staff, students and families who contributed to our beloved Annual Easter Parade.

LOST AND FOUND

P&C News

Mothers Day Stall

At recess time in the undercover area if students would like to purchase a small gift. Prices range from 50 cents to \$5. Dates of stall are; Friday 30th April Monday 3rd May and Friday 7th May

General Meeting

Our next General Meeting shall be held on Monday the 3rd of May at 1.30pm in the library. All are welcome to attend, membership is \$1.

Bedwetting

Bedwetting, or nocturnal enuresis, is very common in children. Bedwetting has nothing to do with dreaming, and children who wet the bed are not "just being lazy".

If your child wets the bed, there are a number of things you can do to help, such as using a waterproof mattress cover and establishing a before-bed toilet routine. It is not helpful to punish children who wet the bed. Fluids should not be restricted, even before bedtime. Sugary or caffeinated drinks should be avoided.

If your child is still wetting the bed after five and a half years of age, seek help through a referral by your local doctor. A bedwetting alarm is an effective and safe method of treatment available for nocturnal enuresis and may be appropriate for your child.

Contact your local Community Health Nurse or Community Health Centre, Clare Pargeter on 6330 3123 for more information
