ASSEMBLIES AREA 19 & 20

The Pre-primary students from Areas 19 and 20 hosted the Harmony Week Assembly this term. Everyone in the school dressed in their cultural dress, clothing to celebrate their nationality or in orange, the colour of harmony. Kalki, from Area 20 introduced each country and gave everyone in the school the opportunity to stand up and show off their outfit. Then the Pre-primaries sang a beautiful rendition of 'In Harmony' a song from The Little Mermaid that celebrates how we are all different but we all belong. Congratulations to Area 19 and 20 and thank you to everyone for coming and celebrating this amazing event.

Farewell Mrs Lucarelli

From the Principal

Dear Parents and Caregivers

FAREWELL EMPS

Thanks to our wonderful dedicated staff we have had a short but very busy and productive term.

As you would know by now, after 43 years in education the time is right for me to retire. This school has been such a special and important part of my life for nearly 10 years and I am going to miss you all so much.

Not every school is like East Maddington. We have an amazing team of dedicated, caring and committed staff, we have a diverse and loyal community and students who each bring a wealth of individuality and talent to our school. Visitors and new staff who come into our school comment on how welcoming and friendly we are...and that is because of each one of you and how we treat each other.

Over the last ten years we have shared so many special times together. Just some include:
Enrolments have nearly doubled, we have three new classrooms on site, Maddington Community Kindergarten arrived in 2014, the Child and Parent Centre was built and our Year 7s moved into high school.

Technology has been put into the hands of every student; iPads and laptops, IWBs and now view boards and our assembly screen.

The grounds are now full of things to play on: the junior playground and obstacle course were two of the first new additions, the spider climbing frame and cube, nature play areas, Pre-primary bike track, swings, climbing wall, boat and tyre stack.

Our facilities have improved too:
New toilets, dividing walls between classrooms and new wet area flooring, a new Science room, Pre-primary upgrade, a resurfaced netball court and undercover areas, solar panels and the big fan.

But it is what happens here that makes us special, not the buildings and grounds. It is each of you sharing your talents to make this school such a great school, each of you bringing your own special passion to what you are doing and always looking for ways to improve, providing a well-rounded education for our students. It's our families, our community and our students

We enjoy so many celebrations with enthusiasm. These are really what make our school the unique school that it is.

To our Deputies, Mrs White and Mrs Andersen; for both your professional and personal support, to the office team, Mrs Grindel, Mrs Jensen and Mrs Panizza; for being ahead of the times with new innovations, and being that wonderful, friendly welcoming face of our school

To teachers, non-teaching staff and support staff for your untiring energy, expertise, and hard work, for your belief in what we do, your care for the well-being and individuality of our students and for the leadership roles that most of you give to our school.

Thanks to the School Council and P&C for your support and advocacy.

Parents/carers, thank you for trusting us to care for your children's education and well-being.

Our community agencies add an extra dimension to our school; further evidence that our school is not like many others. CentreCare and our wonderful Child and Parent Centre, Smith Family, Save the Children, YouthCARE Chaplaincy, Lions Club, Foodbank, IWBBS, and to Inspiring Minds Mentoring which was born from COVID.

Always remember that we are a team, we work together to make a difference for every child. We do this through respectful relationships and inspiring opportunities for success. Continue to aim high, keep raising the bar and expecting our students to achieve more than you can imagine, encourage that growth mindset, and embrace challenges and change as an opportunity for you to grow.

Students and families, our motto of 'Together Inspire Respect' will continue to remind each one of you of what is valuable and what makes a school and its community great.

I wish you happy Easter, a restful and enjoyable holiday. Thank you to Mrs White for taking over next term and to Mrs Griffiths who is moving into the Deputy role along with Mrs Andersen. Welcome also to Mr Edmunds who will move into Area 11. You will be in capable hands.

Finally, I want you to know how privileged I feel to have been your Principal for the last nearly 10 years. I feel such pride in what we do and hope that you too are proud. Hold on to what you believe in, keep doing East Maddington will always hold a special place in my heart. Farewell and thank you all.

Kind regards
Carolyn Lucarelli
Principal

2020 Annual report

Electronic copies now available to view on Connect and on the school web site. paper copies will be available in the office.

SPORTS SPOT Former Student

Tahlia is off to Brisbane to represent WA on April 4th to compete at the National Track Cycling Championships at the Anna Meares Velodrome. She will compete on all 5 days of racing (Tues-Sat). There were 16 juniors selected between the U15 and U17, Tahlia being an U15. She has been concentrating on the sprint events and from what her assistant coach has told me she will also be joining the U17 girls in the team sprint event.

School holiday fun see Connect notification

from 25 March 2021 for more info

Keep our school safe over the holidays

If you see any suspicious behaviour in the school, please phone the School Watch number and help keep our school safe.
