8:00 - 4:00pm Ph: 9459 6653

ASSEMBLY AREA 2

The Assembly on Friday 14th May was hosted by Area 2 who used a hip hop beat to tell us all about the 2D shapes that they had learned. The students treated us to a quiz on the 2D shapes attributes in a fast paced game of Guess Who?

ASSEMBLY AREA 5

Area 5 have been working with the Sound Waves program, learning their consonant and vowel letter sounds. They created Artwork to go with each letter and sound and presented the Sound Waves Chant with actions for their assembly, as well as speaking on the microphone without notes and flexibly dealing with changes and adjustments.

From the Principal

Dear Parents and Caregivers

WALK SAFELY TO SCHOOL DAY STARS!

We had a fabulous turn out on a cool, frosty morning last Friday to join in this annual event. Thanks to Mrs Jensen and our staff who led a 'walking bus' to school and to those parents, grandparents and children who joined in. Mr Butcher, put together a fabulous welcoming snack for those who took part and all participants received a sticker. It would be a very good idea to continue this practice to cut down on traffic and to get some regular exercise...even if you have to drive a little, park away from the school and walk the last bit!

BE YOU SURVEY

Please complete the Be You Survey. Two Faction Tokens will be given to the families who complete it.

All families are invited to complete the 'Be You' survey linked on Connect. Parent survey questions are questions asked to parents to understand the opinions, attitudes, perceptions, and point of views about topics that concern their children. Such questions are used by schools, to collect information that can be beneficial for the issues that affect young minds. Survey questions help the learning environment in many ways. Various studies have proven that parents involved in their child's life or educational life have a significant impact on their grades, social skills, and improved behaviour.

Please complete this survey as soon as possible on the link provided. [Click Here](#)

ATTENDANCE

School attendance and punctuality are important. Students need to attend every day, unless sick, and they need to be at school on time each day.

The school recognises good attendance at each assembly, by presenting awards to the class with the most improved attendance results, and also to the class with the highest attendance rate. Individual students are also recognised for achieving 100% attendance.

There is a recognised link between attendance and academic achievement, as well as social implications for students with high levels of absenteeism.

If there is any problem with your child coming to school, please talk with your child's teacher or Admin, so that we can work together to improve attendance.

EVERY DAY COUNTS – EVERY MINUTE MATTERS.

EARLY CLOSE - PLEASE NOTE IN YOUR DIARY

The school will close at 11:00 am on the last Wednesday of term (June 30th) to allow time for Parent Interviews. Timetables will follow soon so that you can choose a suitable time to come and discuss your children's reports with their teacher.

NAPLAN

Thank you to Mrs Griffiths and Mr Gillespie for coordinating all testing last week. Well done to students in Year 3 and 5 for working hard to complete the NAPLAN testing and to the Year 4 and 6 who also completed NAPLAN tests to measure their achievement of the previous year's curriculum. This will provide information for our teachers to plan ahead.

NAPLAN results should be available sometime in July.

ASSEMBLY

Congratulations to Mrs Schoch and Area 5, Year 3 for hosting a fantastic assembly on Sound Waves.

Our next assembly on June 11th will be hosted by Mrs Brown and Area 8.

Kind regards
Patricia White
Principal
