Dear Parents and Caregivers

## **WELCOME BACK**

Welcome back to what will be an extremely busy Term 3. I am very much looking forward to getting to know all of the school community and encourage you to make an appointment to speak to me about any issues or concerns you may have for your child.

We have had a very smooth start to the term with staff attending a number of professional learning opportunities on Monday and students coming back Tuesday. It was really special to go around to the classes and start to get to know the students. We would like to extend a special welcome to the new families who have just started their journey with us, we hope you enjoy your time at our wonderful school.

We continue to encourage you to communicate with your child's teacher via Connect. Messages, notes and information will be placed on Connect and on our website. Teachers will be placing their Term 3 Learning Intentions on this platform. Please come to the Front Office if you need assistance.

We would also like to welcome back some of our staff who have returned from leave or are continuing in their positions. Mr Carl Edmunds, Area 8, Mrs Stacey Mania, Area 4, Mrs Laura Newbury, Support, Mrs Melissa Rickman, Math Support, Miss Brianna Palmer, Education Assistant and Ms Heather Caldwell & Mrs Kathy Goodlet in the Front office.

## **UPCOMING EVENTS**

We have so many events coming up in Term 3 such as Jeans for Genes Day, Run 4 Fun, Cross Country, Science Week and dress up day, Book Week and dress up assembly, Father's day Stall and Breakfast, Faction Carnival, Massed Choir Festival along with assemblies and other dress up

days. Keep your term planner handy and add important dates to your calendar.

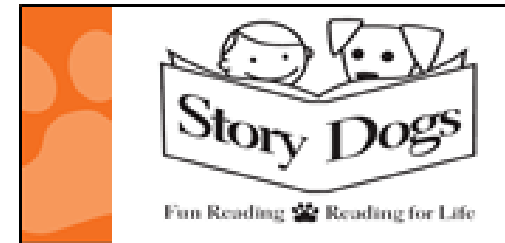

## **TERM 3 PROGRAMS**

- YAK: during school hours
- Smith Family Learning Club
- Dance Sports
- Year 6 Passports to Success

## **WINTER CLOTHING**

Please make sure that all clothing is labelled with your child's name. This makes the job of finding lost property easier.

Kind regards  
Fiona Blundell  
Principal

## **Story Dogs Needed!**

Our school would love to have this unique reading support program helping our students to become life-long readers.

The teachers love this program, the students can't wait to read and the program works!

- Do you have a dog that is well behaved, gentle and is happy around children?
- Can you spare a couple of hours a week?

Call or email Story Dogs so you can start helping children to become better readers.

## Dental health - Keep your child's teeth healthy

Teeth are important possessions. Here are some tips for keeping them healthy.

- Clean teeth, gums and tongue at least twice a day with a soft toothbrush. Parents should supervise tooth brushing until children are 8 or 9 years old as children do not have the dexterity to brush the molars properly until then.
- Adults and children should use a pea-sized amount of fluoride toothpaste. Toothpaste should be spat out after brushing and never eaten or swallowed. Do not rinse your mouth out with water after brushing your teeth.
- Rinse your toothbrush thoroughly after brushing and store it hygienically. Replace your toothbrush regularly.
- Older children and adults should floss their teeth daily.
- Eating and drinking healthily is important for keeping your teeth healthy – try to keep away from too much sugar, especially between meals.

For more dental health information, go to [CLICK HERE](#) or [CLICK HERE](#). The School Dental Service provides free general dental care to school children throughout Western Australia, from pre-primary through to Year 11 (or 17th birthday). Contact your closest School Dental Therapy Centre or Dental Health Services on 9313 0555 for further information. If you require Interpreter Services, please refer to the Dental Health Services Interpreter Service information.
